Travel Protection Insurance: Travel Insurance is optional but strongly recommended.

Insurance is now offered during in the registration process only through Travel Guard. Rates with Travel Guard are as low at \$25.00 per person and are based on the total amount you are paying for your cruise per person. Please be sure that you read the coverage details before you purchase the insurance as you want to make sure it meets your specific needs. If you possibly have any medical pre-existing conditions, we suggest that you review the coverage details under the Platinum Section.

Please note that insurance is not automatically added to your booking, so you must click that option at the conclusion of your initial registration. If you choose to purchase insurance during the initial registration, you will be billed for that immediately as a separate charge from the initial cruise payment. If you decline to purchase insurance during the initial registration process, you will still have the option to purchase insurance with Travel Guard up to 24 hours before departing for the cruise by visiting the website, www.arisetravelplanning.com - click on the "Extra" tab - then click on the link for Travel Guard Insurance.

Dinner Option - Please choose the Late Dinner option.

Passports - It is highly recommended that all guests travel with a passport (valid for at least six months beyond completion of travel). Travelling with a passport enhances your disembarkation experience, as delays may be expected upon your return to the U.S. if you do not have one. Additionally, passports make it easier for you to fly from the U.S. to a foreign port should you miss your scheduled port of embarkation, or need to fly back to the U.S. for emergency reasons. Although a passport is not required for U.S. citizens taking cruises that begin and end in the same U.S. port, if you do not have a passport you will need to produce your state issued photo ID and your original, certified birth certificate. If these documents are not in order, you could potentially be denied boarding. For more information regarding securing a Passport, please visit - www.travel.state.gov/passport

MAKE SURE YOU CHOOSE THE CORRECT CABIN TYPE - Please be advised that when you are using the website be careful to book the correct cabin type. If you make a mistake and book the wrong cabin type, please e-mail ariseplanningservices@yahoo.com regarding the issue so that it can be resolved. The cruise line does not allow TBAs (or a Name to be announced later). A legal name must be given for each guest. There are to be NO duplications of the same name, everyone who will occupy a bed in a cabin must use their legal name on the registration page. Names can be changed prior to final payment date.

Travelling with a Minor - In case when there are children traveling, please be advised that any minor who is under the age of 21 must have a paying adult booked in the same cabin who is over the age of 25. All guests 16 years of age or older must provide an official photo ID. Guest ages will be verified at embarkation. Guests not conforming to this policy pay be denied boarding and assessed a 100% cancellation penalty. NO exceptions will be made at embarkation.

When traveling with a minor and both parents/legal guardians are not cruising (this would include a minor child traveling with a father or mother who are divorced or grandparents), we strongly recommend bringing an original signed letter from the absent parent/legal guardian authorizing the minor to travel with you. This will expedite processing by the Department of Homeland Security. Please note that a notarized letter to this effect is required if debarking with children in Mexico. Should the cruise line ask for this permission slip and no one has the notarized letter of permission the cruise line can deny boarding of that minor. Additional information regarding Travelling with Minors can be found on www.Carnival.com
